ORDER:

In connection with the procurement of improved seed for distribution to ryots/~~who agree to raise seed farms with the seed~~ so advanced by the Agricultural Department to selected ryots who agree to raise seed farm with the seed so advanced. These seeds are then recovered from them either in kind or in cash. Instances have however occurred where the seeds advanced to seed farm ryots/be recovered either in kind of in cash owing to adverse seasonal and other conditions when ryots crops entirely failed and the ryots were not in a position to repay the cost. It is possible that losses of this nature may also occur in ~~such~~ future in connection with the procurement of improved seeds under seed farm schemes. The Government therefore empower the Joint Director of Agriculture to write off losses incurred on account of the non-realisation of the advances of paddy and other seeds made to seed farm ryots up to a monetary limit of Rs. 300/- (Rupees three hundred only) in each case.

2. The Joint Director of Agriculture is requested to submit to Government by 30th April each year a statement of such losses written off by him during the previous official year. The first report for the official year 1949-50 should be submitted to the Government by 30-4 1950.
